STEP INTO THE JOURNEY

Wine is an integral part of our dining journey at Scala, with every sip enjoyed by you - our patrons - we hope to stimulate great conversation about far away vineyards whilst enabling you to savour tastes that will transport you back in time to a fond memory or usher in new ones.

We take great pride in selecting good value for money wines along with other gems, catering for every palate whilst complimenting your meal prepared and created by our Chef Patron Sheldon Sammut and his dedicated team.

ENJOY

The enjoyment of fine wines reflects a conscious choice to seek and enjoy a more distinctive, lavish and exceptional quality of life
